## MSSC Development in San Diego Area

Camarillo, CA November 3, 2017 - Mecanica Scientific Services Corporation (MSSC) plans to expand operations into the San Diego County area in the near future. Currently, MSSC seeks qualified candidates to support operations in the San Diego County area. Full-time employees of MSSC are offered a competitive benefits package - including health, dental and vision, employer matching 401(k) program, educational incentives, bonuses and opportunities for advancement.

Current positions available include:

- Engineer / Accident Reconstruction Specialist
- Digital Media Designer

Based in Camarillo, CA, MSSC is a scientific and engineering consulting firm started in 2014. MSSC serves public and private sector clients in the US and regionally.

More detailed Information for these positions is available on Mecanica's LinkedIn page at <https://www.linkedin.com/company/3800818/> as well as LinkedIn Job Search. Interested candidates are encouraged to submit current resume to [info@mecanicacorp.com](mailto:info@mecanicacorp.com)
